

LIFE MEMBER MEETING NOTICE

"BELL MILESTONE -or HISTORY AS IT IS REMEMBERED IN CANADA and RECORDED IN THE USA".

Greetings to Life Members of the London Section

As your LM Chair, I would like to invite you to a luncheon and a LM Meeting where we can listen to a presentation by Ron Potts. Please try to make your best effort to come out and meet other Life Members and make Ron's trip to London a worthwhile exercise.

DATE: Thursday, May 15th, 2008

TIME : 12 Noon - Soup and Sandwiches will be served

PLACE: Microtronix Systems Ltd., 120 Bessemer Rd, London (White Building across from Goodyear Tire)
(2 blocks North of Ramada Inn which is near 401/Wellington Interchange)

COST: \$5

RSVP would be appreciated by return email or call my cell phone at 519-319-5006

TOPIC: "BELL MILESTONE -OR HISTORY AS IT IS REMEMBERED IN CANADA AND RECORDED IN THE USA".

Ron will also discuss the History Project which has been initiated by the IEEE.

SPEAKER: Ron Potts, an IEEE member since 1957, was appointed Life Member Affinity Group Co-ordinator in 2000 to start the Life Member organization in Region 7 and more recently also the Membership Services chair for IEEE Canada. In his working career, Ron was originally with CGE for the design of Adam Beck #2 in 1951-1953. Then he was Vice President & Manager of Acres International Iron & Steel Division in Hamilton Ont. He retired from Acres International in 1987 but acted as Consultant for them subsequently. Ron became involved in the Steel Industry in 1963 as an Electrical Project Manager. He spent time before that in commissioning Elk Falls in Campbell River, Kelsey in Manitoba and Baie Comeau in Quebec.

Your LM Chapter Chair
Eric
