

# Lambton College hosts the 3<sup>rd</sup> Annual Community Energy Forum!

Building on the success of the first two Community Energy Fora, Lambton College is pleased to host the 3<sup>rd</sup> Annual Community Energy Forum to be held on November 8<sup>th</sup>, 2008.

Wind generators, solar panels, solar heaters, energy conservation, hydrogen development and many other topics related to sustainable development will be discussed at Lambton College's Community Energy Forum.

This is a community event, please e-mail us any seminar topics or products and services you would like to see highlighted. This **FREE** event is sponsored by the Suncor Energy Foundation, Lambton College, IEEE London Section, as well funding is provided by the Ontario Ministry of Energy's Community Conservation Initiative.

**If you would like to suggest an idea or are interested in participating as an exhibitor and/or speaker please contact:**

**Maïke Luiken**

Dean of Sustainable Development, Lambton College

Phone: 519-542-7751 x3229

E-mail: [maïke.luiken@lambton.on.ca](mailto:maïke.luiken@lambton.on.ca)

or

**Mike Nesdoly**

Coordinator of Sustainable Development, Lambton College

Ph: 519-542-7751 x3587

E-mail: [michael.nesdoly@lambton.on.ca](mailto:michael.nesdoly@lambton.on.ca)

Sustainable development, environmental stewardship and a healthy community are important to Sarnia-Lambton. Please visit the **Bluewater Sustainability Initiative** website for more information and to register for this **FREE** event.
